Re: "Engage 2012 Student Video Competition" (the "Media Project")

I understand that students, Engage 2012, and Media Arts Institute (hereafter "Producers") are preparing stories including audiovisual productions (the "Materials") in connection with the above-referenced Media Project and that Producers may include in such Materials an interview with me and/or scenes in which I am featured.

The undersigned hereby grants Producers and their successors, assigns and licensees, permission to photograph me, record my voice, reproduce my voice and picture, use existing images that I supply, and use my name, voice and picture in and in connection with the Media Project. Producers may exhibit and utilize the Materials in all media worldwide in perpetuity and for promotional material related to the Media Project. Producers also reserve the right to edit, copy, and repackage the Materials.

This Release & Authorization constitutes a full release as to any licenses or other agreements which may be derived from this project.

All of the said releases and waivers shall be binding on my heirs, successors, representatives, assigns, agents, and attorneys.

This Release & Authorization cannot be altered orally.

This permission is given to Producers with the knowledge that the Producers will rely thereon at substantial cost to Producers, and I agree not to assert any claim against Producers of any nature whatsoever arising out of any aforementioned use by Producers. I fully understand the contents and meaning of this Release & Authorization and have not relied upon any representation made by Producers in executing this Release.
